Vision 3 Control System Limited Warranty

One year warranty to assure your complete satisfaction.

HTP warrants each Vision 3 Control System to be free from defects in material and workmanship according to the following terms, conditions and time periods. **UNLESS OTHERWISE NOTED THIS WARRANTY COMMENCES ON THE DATE OF INSTALLATION.**

COVERAGE

- A. HTP warrants that it will repair or replace, at its option, without charge, any defective Vision 3 Control System or malfunctioning component thereof that is found to have failed due to manufacturer's defect during the first year after installation. HTP will **NOT** accept claims from the purchaser for damage due to electrical spikes, damage to the panel due to mishandling of a Vision 3 Control System or any component thereof, or labor costs incurred as a result of the repair, replacement, removal, or reinstallation of a Vision 3 Control System or any component thereof. It is expressly agreed between HTP and the purchaser that repair or replacement are the exclusive remedies of the purchaser.
- B. Should a defect or malfunction result in property damage within the above-stated warranty periods due to defective material or workmanship, malfunction or failure to comply with the above warranty, such as defects or malfunctioning having been verified by an authorized HTP representative, then HTP will replace the defective or malfunctioning Vision 3 Control System with a replacement control system of the nearest comparable model available at the time of replacement.
- C. If HTP is unable to repair or replace a Vision 3 Control System so as to conform to this warranty after a reasonable number of attempts, HTP will then provide, at its option, a replacement product. These remedies are the purchaser's exclusive remedies for breach of warranty.
- D. If, at the time of a request for service the purchaser cannot provide a copy of the original sales receipt, the warranty period for the Vision 3 Control System shall then be deemed to have commenced thirty (30) days after the date of manufacture of the Vision 3 Control System and **NOT** the date of installation.
- E. This warranty extends only to the Vision 3 Control System.

1. All labor charges incurred by any person in connection with the examination or replacement of parts claimed by the purchaser to be defective.

10. Any unit purchased from an unauthorized dealer or any online retailer.

PROCEDURES FOR WARRANTY SERVICE REQUESTS

Any claim for warranty assistance must be made promptly. Determine if the Vision 3 Control System is "in-warranty" (that is, within the applicable warranty period) by reviewing a copy of the original sales receipt. You must present a copy of the original sales receipt for a warranty service request.

If the Vision 3 Control System is "in-warranty", contact the retailer from whom the Control System was purchased (or the installer) for assistance. Be prepared to provide the retailer or installer with a copy of your original receipt, complete model and

serial numbers, and the date of installation, in addition to explanation of your problem.

Warranty coverage is subject to validation of "in-warranty" coverage by HTP claims department personnel. All alleged defective or malfunctioning parts must be returned to HTP via the **local distribution channels** where original purchase was made. **NOTE: Any parts returned to HTP for warranty analysis will become the property of HTP and will not be returned, even if credit is denied.**

If all warranty conditions are satisfied, HTP will provide replacement parts to the retailer.
