MC Series™ Limited Warranty

Twelve year warranty to assure your complete satisfaction.

HTP warrants each MC Series™ heater to be free from defects in material and workmanship according to the following terms, conditions and time periods. **UNLESS OTHERWISE NOTED THESE WARRANTIES COMMENCE ON THE DATE OF INSTALLATION.**

COVERAGE

- A. During the first year after installation, HTP warrants that it will repair or replace, at its option, without charge, any defective MC Series™ heater or malfunctioning component thereof that is found to have failed due to manufacturer’s defect (with exception to the blower motor, which will have a limited warranty of 3 years). HTP will **NOT** accept claims from the purchaser for labor costs incurred as a result of the repair, replacement, removal, or reinstallation of an MC Series™ heater or any component thereof. It is expressly agreed between HTP and the purchaser that repair or replacement are the exclusive remedies of the purchaser.
- B. During the second through seventh year after the date of installation, HTP will repair or replace, at its option, without charge, any defective MC Series™ heater found to have failed due to a leaking heat exchanger.
- C. During the eighth through twelfth year after the date of installation, HTP will repair or replace, at its option, any defective MC Series™ heater found to have failed due to a leaking heat exchanger, at a cost to the purchaser equal to the following percentages of the manufacturer’s list price in effect at the date of replacement:

Year of Claim	8 & 9	10 & 11	12
Percentage to be paid by purchaser	25%	50%	75%

- No other component of the MC Series™ heater will be replaced during this period. HTP will NOT accept claims from the purchaser for labor costs incurred as a result of the repair, replacement, removal, or reinstallation of an MC Series™ heater or any component thereof. It is expressly agreed between HTP and the purchaser that repair or replacement are the exclusive remedies of the purchaser.
- D. Should a defect or malfunction result in a leakage of water within the above-stated warranty periods due to defective material or workmanship, malfunction or failure to comply with the above warranty, such as defects or malfunctioning having been verified by an authorized HTP representative, then HTP will replace the defective or malfunctioning MC Series™ heater with a replacement MC Series™ heater of the nearest comparable model available at the time of replacement.
- E. If HTP is unable to repair or replace a MC Series™ heater so as to conform to this warranty after a reasonable number of attempts, HTP will then provide, at its option, a replacement unit.
- F. If, at the time of a request for service the purchaser cannot provide a copy of the original sales receipt or the warranty card registration, the warranty period for the MC Series™ heater shall then be deemed to have commenced thirty (30) days after the date of manufacture of the MC Series™ heater and **NOT** the date of installation of the MC Series™ heater.
- G. Replacement parts will be warranted for ninety (90) days.

PROCEDURES FOR WARRANTY SERVICE REQUESTS

Any claim for warranty assistance must be made promptly. Determine if the heater is “in-warranty” (that is, within the applicable warranty period) by reviewing a copy of the original sales receipt. You must present a copy of the original sales receipt for a warranty service request.

If your heater is “in-warranty”, contact the retailer from whom the heater was purchased (or the installer) for assistance. Be prepared to provide the retailer or installer with a copy of your original receipt, complete model and serial numbers, and the date of installation of your heater, in addition to explanation of your problem.

Warranty coverage is subject to validation of “in-warranty” coverage by HTP claims department personnel. All alleged defective or malfunctioning parts must be returned to HTP via the **local distribution channels** where original purchase was made. **NOTE: Any parts or heaters returned to HTP for warranty analysis will become the property of HTP and will not be returned, even if credit is denied.**

If all warranty conditions are satisfied, HTP will provide replacement parts to the retailer.
